

Academic Excellence in a Christian Environment

About Sandia View Christian School

SVSC has been serving the Corrales, Rio Rancho, Bernalillo and Albuquerque communities since 1994 and is owned & operated by the Seventh-day Adventist Church's educational system—the second largest private school system in the world. Our doors are open to any family committed to a solid and sound Christian education for their child. For over 20 years our open enrollment policy has brought together children from all walks of life, ethnic origin and social status.
