

Want to Know More About SVCS?

We invite you and your child to take a tour of our school anytime during regular school hours. Simply call the school office to schedule your visit.

Want to experience a regular school day? Your Kindergarten—7th grade child is welcome to visit our school and classes for a half/full day and experience what a high quality Christian education has to offer. There is no cost or obligation to participate. Please call the school office at least one week in advance to schedule your visit.

SANDIA VIEW CHRISTIAN SCHOOL

Kindergarten Through Eighth Grade

Knowing that the process of education continues throughout eternity, teachers work with students to help them become independent thinkers and self-reliant learners.

Curriculum

SVCS offers a full, challenging curriculum of Reading, English, Spelling, Science, Math, Bible, Computer Science, plus Music, Art and Physical Education. To achieve this we incorporate the best of Christian and traditional curriculum, all of which are taught from a Bible-based perspective.

Education

SVCS pursues academic excellence in all areas. We provide sound academics, infused with a Biblical view of God and the world. In annual standardized testing, SVCS students consistently perform above the national average at every grade level. SVCS's commitment to our students is to provide the highest quality education, balanced with life-enriching activities, to establish a solid foundation upon which they can build successful, happy and prosperous lives.

Staff

Our teachers hold Bachelor's and Master's Degrees from a wide range of colleges and universities. All are certified with the State of New Mexico and many are also licensed by the state. Our teachers see their career choice as a ministry to instill Christian values in the next generation of leaders.

Imagine your child

Prepared to Impact the World

Academic Excellence, Life Enrichment

Each student is guided, nurtured and inspired in a way that enables the realization of his or her maximum potential—academically, culturally, spiritually and socially.

From Kindergarten to 8th grade, students are taught in modes that promote the development of their multiple intelligences. Teachers use a variety of strategies to enhance learning: group work, individualized instruction, projects, drill and practice, technology, discussion....

Our staff are committed to providing a quality education in a Christ filled environment.
