

About Our School

Sandia View Christian School (SVCS), has been serving Corrales and Albuquerque communities since 1994. Our doors are open to families committed to a solid Christian education for their child. SVCS offers a full, challenging curriculum for grades K- 8th of Reading, English, Spelling, Science, Music, Art and Physical Education.

SVCS pursues academic excellence in all areas. Our staff is a family of believers that works together to support each other and the students. Our teachers are certified and see their career choice as a ministry to instill Christian values in the next generation of leaders.

We invite you to explore the benefits of a Christian education where God's plan is encouraged everyday. Take a tour or schedule a half/full day visit for your child at no cost or obligation. We would love to show you the facility and answer any questions. Simply call the school office to schedule your visit.
